EPOTEC
THE Proven Pool Coating
Autumn' 18

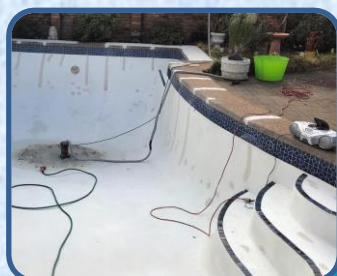

Professional applications of EPOTEC.

No matter if the pool is: already painted, is bare concrete (old or new), fibreglass or mineral finish, Epotec provides a great outcome. Professionals around Australia find Epotec an absolute winner in terms of its ease of application and durability. We have a long list of contractors who have been using Epotec for many years. They have gained wide knowledge and experience in

thousands of pools, large and small, with very successful outcomes. We are receiving very positive feedback from customers who employed them. Not only will they give you a complete pool recoat, many offer extended services such as; Pool water management, pool fittings, fencing, tiling and landscaping. As you can see the EPOTEC coating does generate spectacular results. Here are some examples of their work.
